

NEW DEEP DRILLING ROBUST

4Tech Hammer Drill Bit

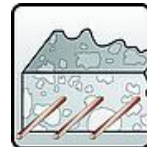

- ~ Robust hammer drill bit with 4 cutting edge blades.
- ~ Carbide tip for extreme resilience in reinforced steel.
- ~ Long lasting, also when hitting rebar.
- ~ 4 Spirals for reduced vibration as tested in HAVS lab.
- ~ Deep drilling without blow out effect.
- ~ Minimised drag for high speed due to polished surface.
- ~ Easy positioning thanks to centred head.
- ~ Reduces drilling time due to dust removal.
