

PRICE INCREASE NOTIFICATION

It is with regret that we must inform you that we have no alternative but to introduce a price increase of 12% effective from 1st July 2026 and will be valid until 30th September 2026. All new purchase orders placed in May and June for delivery after the 1st July 2026 will be subject to the new prices.

Unfortunately, in addition to the price increase in July, there will be another price increase effective 1st October 2026. We will advise in due course how much this increase will be, but it will be valid until 31st December 2026.

We are pleased to advise that products in our Screws & Fixings range will not be included in these price increases. The current prices for Screws & Fixings will remain valid until 31st December 2026. The price increase is for products in the following ranges:

- Suspended Ceiling Fixings
- Dry Lining Accessories
- Acoustic Hanger & Braces
- Top Fix Hangers
- Adjustable Hangers

The impending price increases are due to significant increases in raw material costs along with increases in cardboard, wood and finishing supplies.

We fully appreciate that price increases are unwelcome, therefore, we would like to take this opportunity to thank you in advance for your understanding and continued support.

Kind regards,

Richard Evans.
Managing Director.
