PRICE INCREASE NOTIFICATION – 1st AUGUST 2026

Dear Valued Customer

During these unprecedented times we continually strive to keep our costs to a minimum. However, as we are experiencing continued increases around our raw materials and within our manufacturing processes, we have no choice but to apply a price increase.

As of 01 August 2026, we will be applying a 3% increase to all Scafftag/Brady products.

This will be applicable to:

- Scafftag holders and inserts
- Scafftag sold products
- Inspection Books and Posters
- LOTO
- Accessories and other ancillary solutions

As a valued Scafftag customer we would like to assure you that we hold our business partnership in high esteem.

Together, with you, we will continue to offer the highest quality identification solutions to help UK industry meet the many challenges that face us all.

Assuring you of our continued support and look forward to speaking to you soon.
