8<sup>th</sup> May 2026

Dear Customer.

In the last month we have seen significant price increases from our suppliers and freight companies due to the ongoing conflict in the Middle East. At Gawler Tapes we have been hoping that this would have eased but unfortunately, and despite our best efforts, we are no longer able to absorb these increases.

It is with regret that all orders placed from the 18<sup>th</sup> May will have a 5% increase. This will be for all our product range.

Everyone at Gawler Tapes appreciates your support and values your custom. We very much regret this situation but hope you understand our course of action.

Sincerely,

Mark Jones
