

Subject: Notice of Price Adjustment – Effective 18th May 2026

Dear Customer,

We are writing to inform you of a 6% price increase on all new orders placed from 18th May 2026.

This adjustment has become necessary due to significant rises in raw material costs, driven in part by the ongoing situation in the Middle East, along with continued increases in operational expenses. While we have worked hard to absorb these pressures and have maintained stable pricing since 2023, this is no longer sustainable.

The increase will apply across all products supplied by Fytertech Nonwovens Ltd.

We remain committed to delivering the high standards of quality and service you expect from Fytertech, and we greatly appreciate your continued support and understanding.

If you have any questions or would like to discuss this further, please do not hesitate to contact your account representative or our customer service team.

Yours sincerely,

Martin King

UK Director of Operations
Fytertech Nonwovens Ltd
